C. INBOUND SHIPMENTS

All shipments must have a bill-of-lading or delivery receipt showing number of pieces, true weight, and description of merchandise. If shipments arrive without weight on bill-of-lading and weight is unobtainable, Heritage will estimate the weight. If actual scale weights are not submitted prior to move-out the estimated weight will be final and binding. All shipments received are subject to reweigh. Copies of bills-of-lading, with the name of the carrier, should be forwarded to HERITAGE TRADE SHOW SERVICES as soon as shipments are made. This will assist in tracing, if required. Shipments received at the warehouse after scheduled exhibitor set-up or shipments received at show site after exhibitor move-in times, are subject to surcharges to cover additional trucking or labor and will be billed accordingly.

D. EMPTY CONTAINER LABELS

Empty container labels will be available at the service desk for all exhibitors using Heritage material handling services. Affixing the labels is the sole responsibility of the exhibitor or his representative. All previous labels should be removed or obliterated. Heritage assumes no responsibility for removal of containers with old empty labels, improper information on empty labels or valuables stored in containers removed for storage.

G. OUTBOUND SHIPMENTS

Exhibitors are responsible for labeling their exhibit materials and providing outbound shipping information. To assist you with these arrangements, Heritage will have a Service Desk in the exhibit hall with labels, bills-of-lading and available shipping information. When materials are labeled, packed and ready to be shipped, completed bills-of-lading should be turned in at the Service Desk. Pick ups for local deliveries or small package shipments, i.e., UPS and Parcel Post should be dealt with in the same manner as all other outbound shipments. In order to expedite removal of materials, Heritage reserves the right to change designated carriers, if such carriers fail to pickup or refuse to accept shipments. Where no disposition is made, materials will be returned to the warehouse awaiting shipping instructions.

H. RETURNED SHIPMENTS TO HERITAGE WAREHOUSE

Where no disposition has been made for outbound shipments or later scheduled pickups are necessary; Heritage will return exhibit materials to the warehouse and load on outbound carriers at the rate of \$30.00 per 100 lbs. or fraction thereof for each shipment returned. Minimum charge: \$300.00.

IMPORTANT INFORMATION REGARDING OUTBOUND SHIPMENTS

To ensure that your outbound shipment is handled according to your instructions, please be advised of the following:

- **CONTACT YOUR CARRIER TO SCHEDULE PICK UP OF YOUR SHIPMENT.** You must call your carrier, unless you are using the show recommended carrier. Carriers, including FED EX and UPS, will not pick up your shipment unless you have made arrangements with them. In the event your selected carrier fails to show on final move-out day, your shipment will be rerouted to Heritage's show carrier.
- **PACK AND LABEL YOUR MATERIALS.** Banding, shrink wrap and shipping labels are available at the Heritage Service Desk.
- **COMPLETE AND TURN IN A HERITAGE BILL OF LADING FOR EACH OUTBOUND SHIPMENT.** Bill of lading may be obtained from the Heritage Service Desk. Complete a bill of lading for each shipment/destination. Turn in all completed bill of lading to the Heritage Service Desk once your shipments are ready to be loaded out.
- For your convenience, show recommended carriers are available to handle outbound transportation.

Thank you and we hope you have a great show!

UNION JURISDICTION RULES

Since Work Rules and Union Jurisdictions vary from city to city, we apprise you of the following statements to help you in understanding the Union Requirements in the facility.

DECORATOR & CARPENTER JURISDICTION

It is necessary for all exhibitors to use qualified union personnel for the installation and dismantling of prefabricated exhibits and displays and to install and remove draperies and floor covering. The handling, placing or setting out of merchandise that is to be displayed does not require union labor and may be done by the exhibitor. In addition, the installation or dismantling of an exhibit which does not require the use of hand tools, or more than one person, and can be accomplished within thirty minutes, may be performed by the owner or company representative. Your labor requirements can be ordered on the enclosed Exhibit Labor Order Form.

TEAMSTER JURISDICTION

Our Material Handling Department is responsible for maintaining in and out traffic schedules at the show site. Even local exhibitors should clear all movements of exhibit materials through this department, as we will have priority at the unloading area at all times. Union jurisdiction allows individually hand carried items only and will not permit exhibitors use of dollies, hand trucks or pushcarts. Material Handling Services may be ordered in advance by completing and returning the enclosed Shipping Information and Service Order Form or by ordering on site at the Heritage Service Desk.

SAFETY

Standing on chairs, table or other rental equipment is prohibited. This equipment is not engineered to support your weight. Heritage cannot be responsible for injuries or falls caused by the improper use of this equipment. If assistance is required in assembling your booth, please order labor in the Display Labor section of the Heritage order form and the necessary ladders and/or tools will be provided.

NOTE:

- If you encounter any difficulty with any laborer, or if you are not satisfied with the work performed, please bring this to the attention of the Show Manager at Heritage. Please refrain from voicing complaints directly to craft personnel.
- The person in charge of your exhibit should carefully inspect and sign all work order forms. If there are any questions about any bills, bring the bill to the appropriate Service Desk and discuss it with the person in charge.

The following are basic rules governing concessions, exhibits, and shows in any building open to the public:

1. All curtains, drapes and decorations must be constructed of flameproof material, or treated with an approved flameproofing solution. (Treatment shall be renewed as often as may be necessary to maintain the flameproofing effect.)
2. No combustible materials, merchandise or signs shall be attached to, hung from, or draped over flameproofed side and rear divider draperies of booths or attached to table skirting facing aisles, unless flameproofed.
3. All exits, hallways and aisles leading from buildings or tents are to be kept clear and unobstructed at all times.
4. No exit door shall be locked, bolted or otherwise fastened or obstructed at any time an exhibit building is open to the public. Moreover, it shall be unlawful to obstruct, or reduce in any manner, the clear width of any doorway, hallway, passageway or other means of egress. Additionally, all required exits shall be so located as to be discernible and accessible with unobstructed access thereto.
5. Access through turnstiles, gates, rails or similar devices shall not be permitted unless such a device is equipped to swing readily in the direction of exit travel under a total force of not more than 15 pounds and/or prior approval of the Fire Marshal.
6. All sawdust, shavings, hay and straw shall be flameproofed, stored and maintained in a manner approved by the Fire Marshal.
7. Automobiles, trucks, tractors, machinery and other motor vehicles utilizing flammable fuels, which are placed on display inside any building shall have no more than two (2) gallons of fuel in the tank; all fuel tanks shall be locked or effectively sealed and battery cables shall be disconnected from the ignition system. Ignition keys for vehicles on display shall be kept by a responsible person at the display location for removal of such vehicles from the building in the event of an emergency.
